

# **North Fresno Rotary Endowment Fund**

## **Donation Guidelines**

The purpose of this document is to provide requestors information on what type of donations the Endowment Fund will consider and what information the Endowment Fund board needs to evaluate requests.

- Requests will only be considered that serve the communities in Fresno and Madera Counties.
- Requests must be for an item of tangible value or of a capital nature. We cannot support requests for supplies or organizational labor costs.

For donation requests please include the following:

- A brief description of the item(s) being requested;
- Description of intended use and benefit to the community;
- The costs and expected supplier. An actual quote or proposed invoice, while not required, would be helpful; and
- The possibility of attaching a North Fresno Rotary logo to the item.

Present the request to any NFR Endowment Board Member for consideration at our next board meeting.
